# CERTIFICATE OF PARTNERSHIP

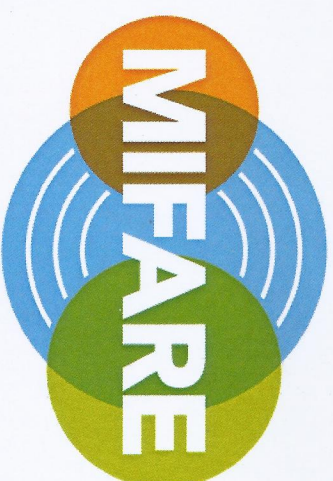

NXP Semiconductors

grants the

**MIFARE Advanced Partner**

status to

**APK IDENTIFICATION**

**Advanced Partner**

The MIFARE Advanced Partner status is granted to companies which have proven their outstanding support of the MIFARE eco-system over several years in close alignment with the NXP MIFARE team. APK Identification is educated on MIFARE products and therefore can be expected to provide expert support in this field of activities and is hereby authorized to use NXP's "MIFARE Advanced Partner" logo and certificate for its sales, marketing and marcom activities.

on behalf of the NXP Semiconductors MIFARE Team:

  
**Markus Luidolt**  
Head of Product Marketing

  
**Michael Ganzera**  
Senior Manager MIFARE Partner Programs

valid until 31.12.2016
